# Problems

- How to find swap providers?

- Incentives must align properly

- Still can give a free option

- Sending values are limited

- Goes at chain speed

- Uses lots of block weight

- Invoices time out

- Must take care to sweep

Swaps-Service

- UTXO Pool

- Swap Executor

- Reverse Swaps

- Easy Refund UI

- Redeem Script Validator

- NPM Library

- Chain Adaptors

- Wallet Integration
